for reasons 1.4 (b) and (d).

(C) Political Officer presented the reftel points to Mr. David Maseck, the Czech Ministry of Foreign Affairs' Deputy Director for Non-proliferation on December 17. He appreciated receiving the points and shared our concerns about Syria's non-compliance with its non-proliferation commitments and plans for building a future nuclear power plant. He said that the Czech Government would seek to insure that the Syrians provided answers to the international community's questions and concerns regarding its nuclear program.
